

The Precautionary Boil Water Notice for Oakland Hunt Subdivision in Oakland Township has Ended

For Immediate Release

October 27, 2022 at 2:30pm

The precautionary boil water notice issued on Monday, October 24, 2022 for Oakland Hunt Subdivision has ended. There is no need to continue to boil water before using it for consumption.

Flushing Update: The water system flush scheduled for the evening of 10/27 has been cancelled since the water system is being flushed because of this advisory.

Frequently asked questions about boil water notices are available on the Oakland County Water Resource's Commissioner's (WRC) website at www.oakgov.com/water/boilFAQS.

If you have other questions, please call the WRC Boil Water Hotline at 248-858-1555.
